EXCELLENCE BELONGS TO THE ZEALOUS

To whom it may concern,

Reference for Mr Chad Zoghby: AM/PM plumbers

It is with absolute pleasure that I testify for Mr Chad Zoghby. Chad has built in the excess of 11 000 m² of building at Ashton International College, Ballito over a period of 4 years. His pride & joy, was the erection of our majestic GRACE HALL, where attention to detail was the priority. This building, in particular, has become a Landmark in Ballito and has drawn attention to many people, including Heads of other schools. His professional approach and management skills were evident in ensuring that every brick laid, every window placed, and every truss lined-up was exactly where it should be. His management of his staff was evident in the respect shown for him. Deadlines were met, challenges were overcome. (Weather delays)

One of Chad's greatest characteristics was the neatness of the building area. I have seldom seen a building site as clean and tidy and with the Grace Hall covering over 1000m² on 1 level, the area was left in immaculate condition on a daily basis. This being a school, Chad left no chance of any child being exposed to possible dangers or injuries. He constantly called for meetings to give feedback on the progress of the various stages and his communication cannot be faltered. The Grace Hall stands proudly as a centre of excellence and quite aptly is the meeting place of our three schools, Pre-Primary, Junior Primary and Senior College.

Chad has also built new classrooms and is currently building a further 18 classrooms, together with a multi-purpose/sports indoor centre to double up as Junior Hall on our Oxford Fields.

Over the last couple of years, Chad has displayed loyalty, commitment, dedication and integrity and has proved to be a man of his word. It is without any hesitation that I recommend Mr Zoghby. Please contact me for any further references. (083 564 5902).
