FOOD LOVER'S MARKET

To Whom It May Concern

I am the Regional Project Manager for Foodlovers Market KZN. I 1st met Chad Zoghby back in 2012 when I was introduced to him by Mr Jose Luizinho Senior owner of Foodlovers La Lucia and he insisted I use AM-PM for the plumbing and building for the revamp of Foodlovers La Lucia. At the time I had already contracted out the building works and AM-PM was awarded the plumbing contract.

Halfway during our revamp the original builder was not performing or meeting deadlines, during the build the store was sectioned off and still operational and heading towards December there was intense pressure to meet our deadlines for the opening.

AM-PM stepped in and helped finish off the build and the store opened without any delays, from then AM-PM have been one of our preferred contractors for many off our new stores that have opened in KZN.

I can highly recommend AM-PM for their quality and high standard of workmanship for anyone in Retail.
