To whom it may concern,

This letter serves as a confirmation of the service offering provided by AMPM Projects to La Lucia Mall.

Chad and his team has been an outstanding service provider to the Mall for over 7 years now and his quality of work and willingness to get the job done right at any time day or night has stood him in good stead with Mall Management as well as Tenants.

I would recommend Chad and his capable, friendly team to any business seeking a professional quality, fix it right first time, property maintenance service.

Regards

Wayne Shelley
